and crypt unless medically exempt.**

**For a copy of our weekly newsletter by email please sign up on our Parish
website. We have a WhatsApp group if you wish to be added.**

Online Service : our online service this week is a service of morning Prayer. Please let me know if you are still following the online services and if they are still useful. Now services are back in church numbers watching online services are (as expected) dropping , we are happy to continue recording them but only if they are still of use !!

Church Collection: thank you to all who continue to give so generously to our church funds. It is greatly appreciated. Over the last 2 years the Church in Wales Representative Body has given Parishes financial support to help us through the times when churches were closed. This year we are not expecting any support from the Church in Wales or Diocese , so we will need to explore various fund raising activities.

Social and fund-raising events : We are hoping through the year as restrictions are changed that we will also be able to hold more social and fund-raising events. If you would like to become involved with a social committee can you please myself or the churchwardens know.

Church Groups : Don't forget that all church groups and activities are open to anyone wishing to come along. You would be more than welcome or if you know people who would enjoy the groups do let them know. If you can share the weekly email or our Facebook posts that is a quick and easy way of letting people know what is going on in St. David's.

Sunday School can you please let families know that all children would be very welcome to come along. Hopefully as the year goes on we can start to share some trips and activities with the children. If you would like to help with the Sunday School we would love to have you as part of the team. Please speak to Sarah for details. DBS Checks and Safeguarding training will be provided.

Publicise your group : If the leaders of the various church groups want to write a small article about your group to include in this weekly email or this bulletin do let me know.

Church Services : At the heart of why we are here as a Church is a worship. Do try and join us in our services when you can , and do encourage those who have not yet come back to worship to return. Do keep the mission of the Church in your prayers , as we remember that it is God who will sustain us in all our endeavours.

Pastoral Support : Do let me know if I can help or support in any way. We are going to try and restart our Pastoral Visiting support team (currently contact and support will be via telephone). If you would like to help as part of the team do let me know. Training will be provided.

Church Grounds : as we are now approaching spring it would be good to have a tidy up of the church grounds, clearing away the winter leaves etc. Please help if you can. If you have some time to spare do come along any time, or if you would rather we set up a group where we arrange specific times to meet let me know and this can be arranged. We do need help !!
